### Important Notes

- **Invoicing:** An invoice will be issued following the completion of each assessment component.

- **Payment:** Full payment must be received for the assessment report to be released.
- **Private Health Insurance:** Some psychological services may qualify for rebates. Contact your insurer to confirm eligibility.
- **NDIS Funding:** Diagnostic assessments are not funded by the NDIS unless specifically requested by the National Disability Insurance Agency (NDIA). Cognitive assessments may be covered under certain circumstances; please consult your local area coordinator for details.

### **Medicare Rebates for Referrals**

If your child is referred by a paediatrician or psychiatrist, you may be eligible for a Medicare rebate

under the Complex Neurodevelopmental Disorder and Eligible Disabilities initiative.

Key details include:

- **Eligibility:** Patients under 25 years old with a suspected or diagnosed complex neurodevelopmental disorder (such as Autism Spectrum Disorder) or eligible disability.
- **Rebate Coverage:** Up to eight allied health assessment services per patient per lifetime.
- **Service Provision:** An eligible allied health practitioner can provide up to four services before a mandatory review by the referring psychiatrist. The psychiatrist must agree to the need for any additional allied health services prior to the delivery of the remaining four assessment services.
